Lokuta tee 1, Elva

Language

- Estonian - Native
- English - C1

Expertise

- Problem Solving
- Creativity
- Critical Thinking
- Leadership
- Dedication

Experience

I have experience in creating responsive single- and multi-page websites from scratch and with frameworks. I have also created simple JavaScript applications with EJS that utilize API.

I have created logos and web design with Photoshop and Illustrator.

I have used both MS Word and MS Excel to format documents and analyze data.

Education
